## Ghosts of the Faithful Departed

By [David Creedon](#) | [Photofusion](#)

US \$

Softcover US \$24.98

Hardcover, ImageWrap US \$38.98

### ABOUT THE BOOK

David Creedon's photographs encapsulate the frequently overlooked and largely unspoken experiences of those who stayed in rural parts of Ireland during the twentieth century when other family members left for cities in Ireland, England, the United States of America and elsewhere. They also capture the prevalence of the iconography of Catholicism in everyday home life.

"Cork's Vermeer" (The Irish Independent)

About the Author
